Mr. James Bramblett Bradham
Manager of Operations
Turner Enterprises, Inc.

Georgetown, SC 29440

Dear Mr. Bradham:

This letter is to inform you that the following information is needed for your un-dated petition on behalf of Turner Enterprises, Inc. (Docket FAA-2022-0536). This information is necessary for the Federal Aviation Administration (FAA) to process your petition.

Please provide a comprehensive training and certification program. The information you provided is not adequate; it is not a comprehensive training and certification program similar to that provided by petitioners who have been issued similar grants of exemption (see Exemption No. 18009). The training and certification program should be a comprehensive course tailored for your proposed operations that includes theory and practical components, a pilot theory exam, and supervised operational familiarization training on agricultural spraying. Additionally, the training program requirements should include examination, flight test, and continued periodic training.

What You Need To Do:

If you want the FAA to process your request any further, you must send the information described above by May 17, 2022 before 11:59PM ET. We will consider your petition request open during this period.

Please submit the additional information (non-proprietary) as a comment to your docket at www.regulations.gov, and save the tracking number generated after submission. Proprietary information may be submitted electronically to david.reaves@faa.gov and Tiffany.M.Jackson@faa.gov.

If the FAA Does Not Receive the Requested Information From You:

If the FAA does not receive the requested information from you by the date indicated above, the FAA will take no further action on this petition and close the matter without notifying you further. If you have any questions or require additional time, you may call (717) 712-1035.

Sincerely,

A handwritten signature in blue ink, appearing to read "David House".
